Senior Portraits

The senior portrait is what anchors all the other elements in the senior section together. In order to streamline the process, we will be using FERPA certified Reed Takaaze Photography Studio. They are the only photography studio in Hilo that offers a **FREE sitting for yearbook-only portraits**. We contract one photographer for all school portraits to streamline the process of covering roughly 300 seniors and 1,000 underclassmen.

If you choose to take separate senior portraits with a different photographer, we ask that you also schedule the FREE yearbook-only session with Reed Takaaze Photography for our yearbook purposes.
