	E-mail address (please print clearly) _____ Phone Number _____	
E-SCHOOL COURSE(S):	Course Title _____	Session: <input type="checkbox"/> Fall/Year <input type="checkbox"/> Spring <input type="checkbox"/> Summer
	Course Title _____	Concurrent _____ Alternate _____ Course taken Concurrently or as an Alternate?

Student Agreement

Please read the following carefully. Sign and date the form once you understand the terms and conditions of taking an online course.

"I, student name: _____, am willing to dedicate a minimum of seven hours per week to complete each online course. I understand and agree that I am responsible for logging into the online course(s) daily and keeping up with the course assignments. I understand and agree that my full participation is expected from the start of the session to the end. I understand and agree that all assignments must be original work completed by me. Failure to log into the course regularly and turn in course assignments may result in a failing grade.

I understand and agree to E-School's late work policy, which states that late work can only be submitted during the quarter when it is due.

I realize that this E-School course I am signing up for is a real course and this grade will appear on my transcript even though it may not appear on my school report card. If I choose to drop this course, I must do so by the official drop date or I risk the chance of receiving an "F" on my permanent record.

I understand that if I am a middle school student enrolling in a high school course and I plan on carrying this credit into my future high school, it is up to the administration of that incoming high school to accept that credit or not.

If this is the first time taking an E-School course, I understand that there is an online E-School Student Orientation course that I must complete prior to the start of the course. I understand that I will be automatically dropped from my enrolled course if I do not complete the Student Orientation prior to the start of the session. The Student Orientation needs to be successfully completed only once.

I have read and agreed to the practices, policies, and requirements stated in the E-School Student Parent Handbook (with special attention to policies regarding participation, late work, and academic behavior). The handbook is available on the E-School website: eschool.k12.hi.us.

E-School uses synchronous online learning tools to varying degrees. Therefore I understand that I am required to have access to a headphone and microphone (headset) as stated in the E-School Student Parent Handbook."
